

RANCH RIDING

The purpose of the Ranch Riding horse is to reflect the versatility, attitude and movement of a working horse. The horse's performance is to simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class will show the horse's ability to work at a forward, working speed while under control by the rider. Light contact will be rewarded and the horse will not be shown on a full drape of reins.

The overall manners and the horse's quality of movement are the primary considerations.

For horses three (3) years of age and older and offered as a Junior, Senior or All Age class.

Class Requirements

- a) Each horse will work individually; performing both required and optional manoeuvres, and will be scored on the basis of 0 to 100, with 70 denoting an average performance;
- b) The required manoeuvres will include the walk, jog, and lope both directions and the extended jog and extended lope at least one direction; as well as stops, and back;
- c) Three (3) optional manoeuvres may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s), or some reasonable combination of manoeuvres that would be reasonable for a ranch horse to perform;
- d) The manoeuvres may be arranged in various combinations with final approval by the judge;
- e) The overall cadence and performance of the gaits should be with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.
- f) No time limit.
- g) The use of natural logs is encouraged
- h) Posting at the extended jog is acceptable.
- i) Touching or holding the saddle horn is acceptable

The exhibitor is scored on the quality of each manoeuvre

Excellent +1 1/2. Very Good +1. Good + 1/2. Correct 0.

Poor -1/2. Very poor - 1. Extremely poor -1 1/2

Patterns

One of the suggested four (4) patterns can be used, however a judge may utilise a different pattern as long as all required manoeuvres and the three (3) (or more) optional manoeuvres are included.

Should a Judge use one of their own patterns, it is recommended to not have the stop following an extended lope.

Patterns need to be posted one hour before the class
